

Overview of Advantages

- Cover profile for rebated doors
- Quick mount with marking aid (optional)
- Invisible clip-connection
- Built-in ability to adjust
- Damage-free removal
- Suitable for all hinge diameters

Scope of delivery

- Cover profiles with clips and screws
- Profile per running meter: only cover profiles

Tender specification

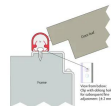

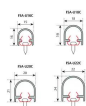

Planet finger protection cover profiles FSA 8100 [U-CLIP] For safeguarding the hinge side at the secondary closing edge. Hinge side protective profile for rebated doors with a concealed clip fastener of type FSA U16-Clip / U18-Clip / U20-Clip / U22-Clip (please select). System for damage-free removal and re-attachment of the cover profile. Profile made of aluminium. Standard colour anodised EV1, anodised or powder coated stainless steel, RAL 9016 white or for U18-C also black C35 satin anodised (please select). Safeguarding with profile 1 from FFL to lower edge of lower hinge and profile 2 between the hinges. Or safeguarding with profile 1 from FFL to lower edge of lower hinge, profile 2 between the hinges and profile 3 from upper edge of upper hinge to upper edge of door leaf.

Technical data

Length	max. 2500 mm
Can be shortened	yes
Profile size	16 mm (U16-Clip) / 18 mm (U18-Clip) / 20 mm (U20-Clip) / 22 mm (U22-Clip)
Profile material	Aluminium
