The smart finger protection solution!
Easy installation – helps you to save
time and money

Roller protector FSR 6000 [Quick & Outdoor]

The easy way

Fast and simple installation of the Planet roller protector FSR 6000 [Quick&Outdoor].
The quick-fit roller protector that effectively prevents clamping injuries from doors.

Marking, ...

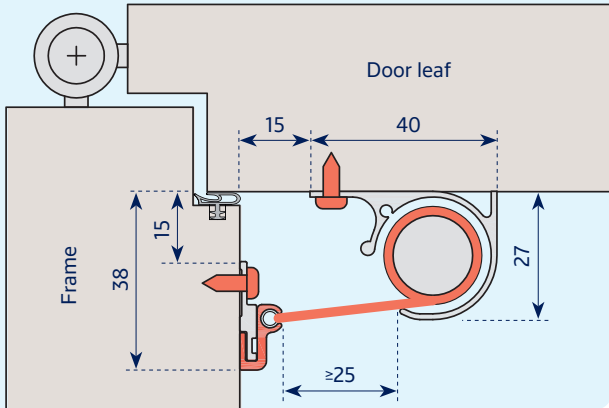

... fixing, ...

... clip-on and secure!

Your advantages:

- Quick and simple installation by one person
- Easy clip-on system
- Adjustable even after installation
- Concealed fixation – no visible screws
- Outdoor version comes in identical housing
- Difficult to ignite (B1) classified – the standard with Planet

Don't forget: securing the doors hinge side with Planet FSA cover profiles!

For maximum safety on doors secondary closing edge, hinge side always must be protected! We recommend Planet FSA cover profiles, available for most common hinges.
